

## LEATHER PHOTO BAGS KAPSTADT

Chic and timelessly elegant, the **KAPSTADT** photo bags are made of genuine leather. In addition to the pleasant feel, the leather is also very robust. During use, the distinctive patina creates an individual companion of natural beauty.

The photo bags offer enough space for your photographic equipment with accessories and other items. The variable photo compartment of the sizes medium and large is removable - so you can use your Kapstadt leather case for many other occasions. The choice is yours: With the different colours and sizes, the Kapstadt series will meet your needs.

Information about care you can find on the product tag.
